PARENT PACKET

**Our Kids – Our Future
CARING, HONESTY, RESPECT &
RESPONSIBILITY**

At the YMCA, kids develop character by learning and practicing
the YMCA's 4 core character values...

Honesty, Caring, Respect and Responsibility.

YMCA Mission – To put Christian principles into practice through programs that build a healthy spirit, mind and body for all

It's the 21st century, and has there ever been a harder time to be a kid? So many choices, so many unhealthy options. Luckily, YMCAs are keeping an eye on tens of thousands of school-age kids during the riskiest hours of the day. At the Daviess County Family YMCA After School Child Care Program you'll find caring staff dedicated to offering a structured program that offers a wide range of learning and enrichment activities that promote the physical, emotional, cognitive, and social development of children.

Childcare is a familiar scene for working families. For students who attend the Y's After School Child Care program, it's about having fun, learning new games and skills, gaining confidence and making friends. For parents, it's knowing that your child is in a safe, nurturing environment that offers educational, and enriching experiences.

In collaboration with the Washington Community School Corporation, the Y offers After School Child Care for students in grades K-6. The program meets at North Elementary School with students from all other elementary schools being bussed to North.

All children must be picked up at North by 6:00 p.m.

Enrichment Program

The Y's national character building campaign pledges to incorporate the values of *Caring, Responsibility, Honesty and Respect* as part of all youth services programming. The Y seeks to support and strengthen the family unit, help children develop their fullest potential and present programs and services in a positive environment of safety, support, and care.

While participating in the ASCC program, kids are offered the opportunity to express themselves and participate in a variety of activities such as games, crafts, outdoor and indoor play, help with homework, movies, special events, special projects and more! A daily afterschool snack is also served.

Trained Staff

An integral component of the Y's quality programming is staffing. Our staff consists of mature and enthusiastic individuals who help us provide a quality, safe, and enjoyable program. A Criminal History Background Check, Mandatory Drug Test, and a TB Test are required for Y employees working with children. We also require all school age program staff to take CPR, First Aid and Child Abuse Prevention trainings.

***Always call the YMCA to let us know if your child will be absent on a day we are expecting them!**

SIGN OUT

It is very important that you sign your child out of the program every day. This gives us the opportunity to give you any information you may need regarding the program and your child's participation. A child will only be released to persons listed on the enrollment form with proper identification. Please help us keep this information current by updating it as needed.

ASCC DISCIPLINE POLICY & PROCEDURES

Y staff are encouraged to use positive reinforcement. When inappropriate behavior occurs discipline will immediately follow the misbehavior.

There are some behaviors or actions that may be cause for *immediate* removal from the ASCC program (1 or more days). *Behaviors such as hitting others, fighting, property damage, or any other act that endangers others, or self will not be tolerated.*

The ASCC coordinator, depending on the nature of the behavior, will decide the level of offense. Parents will receive a copy of written discipline reports. The following are general discipline guidelines for varying levels of offenses:

- 1st Offense:** Verbal Warning
- 2nd Offense:** *Time out during free time or scheduled activity
- 3rd Offense:** Suspension from the YMCA ASCC program for one to three days
- 4th Offense:** Suspension from the YMCA ASCC program for one week
- 5th Offense:** Expulsion from ASCC program for remainder of semester or school year

**Time out – Child is seated away from others and is required to be quiet for a given amount of time. A “time out” is an opportunity for a child to take some distance from an emotionally difficult or conflict-filled situation. Time out is not used as a form of punishment but rather as a part of the process of teaching young people and helping them gain coping skills.*

All Children participating in the ASCC program are expected to cooperate in a group setting and obey all rules. Due to the nature of the program, our staffing ratio does not allow for one-on-one supervision for unruly children.

PROCEDURES FOR EMERGENCY SITUATIONS

Plan for Provider Illness or Injury

- **If ASCC counselor should get hurt or become ill and a second counselor is not available at the site, the parents or guardians of the children will be notified by the counselor to come and pick their child up.**
- **If the ASCC counselor should get seriously injured or become seriously ill, the counselor or emergency personnel will call the Y who will notify the parents to come and pick up their children at the site, immediately, and a substitute counselor will be dispatched to the site who will not care for the children, but only stay long enough for the parents to arrive. The children's records are located at the site in a marked binder and duplicate records are located at the Y in the program director's file cabinet.**
- **The phone number of the local childcare resource and referral agency who can assist in finding emergency care is 254-0968 OR substitute care may be available at the Y or ASCC site if qualified substitute caregivers are available. (Substitute caregivers must meet specified requirements.)**

Plan for Injured Child

If your child is injured during the program, the site coordinator or counselor in charge will take whatever steps may be necessary to obtain emergency medical care. (See Medication and Sudden Illness Procedures). If we cannot contact the parent/guardian, and *if the situation warrants*, we will call an ambulance. A staff member will accompany your child and efforts to contact the parent/guardian or alternate emergency contact person will continue until someone is notified. Upon notification, a responsible party is expected to come immediately.

MEDICATION AND SUDDEN ILLNESS PROCEDURES

- **If medication needs to be administered during the program hours, the medication must be delivered directly from the parent/guardian or school personnel to the Site Coordinator.**
- **Medication must be in the original container.**
- **A completed Medication Request form must accompany the medication and will be kept on file at the Y. (Forms are available upon request.)**
- **Only daily doses will be accepted. Medication container must be signed in and signed out daily.**
- **Y staff are only allowed to administer basic First Aid – soap & water, band-aids, etc.**
- **If your child falls ill during program times, the Site Coordinator or Counselor in charge will follow these steps:**
 - 1. Attempt to contact parent or guardian**
 - 2. Attempt to contact persons listed as emergency contacts.**
 - 3. If necessary, contact ambulance or paramedic.**
 - 4. If necessary, transport child to an emergency care facility in the company of a staff member.**
- **Communicable Illness – Parents will be called and arrangements must be made to pick up your child.**
- **Lice outbreaks occur seasonally. The Y has a nit free policy. Random lice checks may be given by staff members at the director's request.**
- **Each child must have a signed immunization record on file by the first day of ASCC.**

ADA Policy Statement

The Y Child Care Program welcomes all children. To the extent it is reasonably able to do so, The Y Child Care Program will provide services to children with disabilities or special needs in the same manner as services are provided for other children of comparable age.

Minimal monitoring and extra supervision is reasonable as long as it is not fundamentally different from the responsibilities that all group child-care operators have for the safety and well being of their students. The Y Child Care Program is, however, unable to provide one-to-one care for any child except on an intermittent basis, such as injuries, immediate disciplinary issues, and certain personal care needs customarily provided to other children.

If it is unclear whether the Y Child Care Program can reasonably accommodate the unique needs of a child, we will arrive at a final decision by reviewing the circumstances on a case-by-case basis. Such review will be comprised of most, if not all, of the steps outlined in the Y's ADA Policy for Child Care Programs, unless such process would not meaningfully contribute to a final decision.

A copy of the Daviess County Family YMCA ADA Policy for Child Care Programs is available in its entirety upon written request.

AFTER SCHOOL CHILD CARE ENROLLMENT

**To enroll your child in the Y After School Child Care Program, complete the following forms, and return them to the Y front desk.
The \$30 Registration Fee and the First Week's Payment are required to complete the enrollment.**

Weekly payments thereafter are due on or by the Friday prior to the week of service.

THANK YOU!
